Subject: Intent to Withdraw From Midwest Public Risk (MPR) Benefits Program

Department: Human Resources

The City of Nevada has utilized MPR for our benefits administrator for 20+ years.

After years of premium increases the employee base requested a review of our medical benefits program. The review initiated the medical benefits to be quoted. After review of the returned quotes from three (3) different brokers, the City has decided to withdraw from MPR for the benefits program 2020-2021 plan year.
